Work experience

● **Gustavo Veículos** | Salesperson & Web Developer

2019-2022

- Proven sales expertise in building customer rapport, effectively communicating vehicle advantages for increased sales and satisfaction. Leveraged web development skills to deploy the company's inaugural user-friendly website, showcasing vehicles, prices, and contact options.

● **Felix Car** | Administrative Assistant & Web Developer

2017-2019

- Shifted from administrative assistant, managing requests and schedules, to web developer. Revamped company website using JavaScript, React e etc. Also handled ads, customer outreach, and more.

Education and languages

- Completed High School - 2017/2019
- Brazilian Portuguese - Native
- English - Advanced/Fluent (C1-C2)
February 2023
EF SET Certificate

Personal

Motivated by a passion for technology and creative processes, I chose to become a front-end developer. This path merges my love for problem-solving and learning. An interesting tidbit: I adore cinema, music, and illustration, marveling at the impactful moments they create, which inspire my own creative pursuits.
